## **JOINT PROPOSAL 2020**

WPG Expo showcases post graduate programs for interested students in Jakarta and Makassar. With this upcoming trend and need of the industry, WPG aims to provide this need by bringing world class institutions from all over the world, including Indonesia, to present to interested participants. WPG will invite Postgraduate providers from over 20 countries including Indonesia and showcase them in the form of an education exhibition. This is to provide interested participants the widest options available in-country and overseas. In addition to the exhibition, WPG will also have useful and beneficial seminars such as aptitude tests, scholarship opportunities, and career talks by industry professionals.

The Ministry of Research Technology and Higher Education will inform this event to the current university students numbering over five million. In addition, WPG will promote the event through various media channels, online and offline, and we also partnering with Human Resources Companies to promote the event to their databases of working adults.
